APPLICATIONS SHOULD BE SUBMITTED USING THE ONLINE APPLICATION AT ([Sessional Instructor Application Form \(uwindsor.ca\)](#)) by October 20, 2026, 4:00 p.m.

Required Qualifications:

- A Master's degree in Computer Science is required for teaching core undergraduate Computer Science courses (COMP1XX0 – COMP4XX0).
- A Ph.D. in Computer Science and graduate faculty status, along with a record of recent relevant publications are required to teach CS graduate courses (COMP8XX0).
- Strong English communication and interpersonal skills (new applicants may be selected for an interview at the discretion of the committee).

Preferred Qualifications:

- Computer Science teaching experience at the University level with demonstrated effectiveness in the role.
- Recent training (past 5 years) in university teaching and Brightspace.
- Recent professional experience (past 7 years) in a position in IT/CS industry that is relevant to the course topics.
- Refereed publications related to the course field published in the past 6 years.

Not all of the above courses may be offered, subject to budgetary approval and teaching allocation changes.

For additional information, please contact the School's Office at csdir@uwindsor.ca.

The University of Windsor is committed to employment equity and welcomes applications from Aboriginal Peoples, persons with disabilities, and members of visible minorities. Applications from women are particularly encouraged.

Notes: Subject to provisions of the Collective Agreement, preference will be given to applicants with preferred status and qualified applicants who are full-time faculty members. Applicants who did not hold a faculty position in the School of Computer Science in the past 24 months are required to submit an updated CV and three recent letters of reference (not older than 12 months) to csdir@uwindsor.ca. **Only those successful will be contacted.**

THE ABOVE IS SUBJECT TO FINAL BUDGETARY APPROVAL
