Course Number		Section	Course Title
MECH	4253	1/51	Heating, Ventilation and Air Conditioning (PEng required)

The Department of Mechanical, Automotive, & Materials Engineering is seeking applications from candidates preferably with a Ph.D. degree in Mechanical, Automotive, or Materials Engineering, and P.Eng. status (or recognized equivalent). Applicants with a MASc. degree (minimum) in MAME Engineering with relevant teaching and research experience will be considered.

At the end of the semester, departmental procedures require sessional instructors to submit assessment data for undergraduate course learning outcomes (in connection with the CEAB Graduate Attribute Indicators, as dictated by the Faculty's Continual Improvement process). In addition, sessional instructors are also required to submit a second final exam that will be held on file in the department in the event that a supplemental exam is required after the sessional contract is complete. The evaluation data and final exam are to be submitted to the departmental secretary. Availability of future teaching opportunities may be negatively impacted by a failure to submit requested information on a timely basis.

Compensation:

- Sessional Instructors: $9,794.00 per full-credit 36-hour section (inclusive of 4% vacation pay); $4,897.00 per half-credit 18-hour section.
- Faculty Overload: $6,740.00 per full-credit 36-hour section; $3,370 per half-credit 18-hour section

The stipends are outlined in Article R.1 (b) of the current Collective Agreement with the Windsor University Faculty Association. The rates are inclusive of 4% vacation pay.

New applicants are asked to include a cover letter identifying the course(s) being applied for and describing their qualifications and expertise to teach the course(s); a CV; three current letters of reference; teaching evaluations or equivalent for all courses they have taught, and the Sessional Instructor Application form.

Returning applicants are asked to complete the Sessional Instructor Application.
