

The Department of Kinesiology, Faculty of Human Kinetics, invites applications from qualified individuals who are interested in teaching the following courses:	
KINE-1800-1 Mechanics of Human Motion TR 11:30 – 12:50 pm	Presents the quantitative fundamentals of mechanics as they apply to movements of the human body and the sport implements it handles.
KINE-2220-1 Introduction to Leisure TR 8:30 – 9:50 am	This introductory course examines leisure and leisure delivery in Canada. Various ways of defining leisure are examined, both historically and for different groups of Canadians, as well as the benefits and challenges of leisure in everyday life. The history of leisure delivery in Canada is then reviewed, as well as current approaches and challenges to leisure delivery.
KINE-2250-1 Ethics in Sport and Physical Activity TR 8:30 – 9:50 am	A philosophical analysis of sport and physical activity with emphasis on ethical aspects. Ethical theories will be studied as a basis for assessing and understanding decisions and actions of coaches, athletes, officials, and executive members. Case studies covering problem areas will be utilized to enable the student to analyze these decisions and actions.
KINE-2700-1 Research Design MW 11:30 – 12:50 pm	A preliminary course to acquaint the student with proper experimental designs and research paper writing. Statistical interpretation and application are included. Current research topics will be included. (2 lecture, 2 laboratory hours a week.)
Co-op Work Experience KINE-2990-1 KINE-3990-1 KINE-4990-1	Supervised experience in an approved career-related setting with a focus on the application of theory and the development of transferable skills. The co-op work experience is designed to provide students with an enriched learning opportunity to integrate academic theory and concepts in an applied setting. (Prerequisite: Student must be enrolled in a co-operative education program. Offered on a Pass/non-Pass basis. Supervised practicum requires the successful completion of a minimum of 420 hours. Students who do not pass the course cannot continue in the co-op program.)
KINE-3820-1 Practice, Theory and Analysis of Golf MW 1:00 – 3:50 pm	Combining physical and analytical techniques this course will assist students to understand and execute golf skills, enhance their abilities in error detection and correction, understand strategy and course management, and be aware and appreciative of golf rules and etiquette.
KINE-4920 Lab Experiences Human/Exercise Physiology Section 1 - M 11:30 – 2:20 pm Section 3 - W 11:30 – 2:20 pm Section 5 - F 8:30 – 11:30 am	This course provides future leaders and managers with strategies to address globalization issues in the field of sport management. The course uncovers how the social, political, cultural, economic, and technological dimensions in the global context affect the management practices of leaders in sport and leisure organizations. It will also cover how sport (developmental sport and high-performance sport) is organized in different countries. Topics such as commercialization and internationalization of sport will be addressed, as well as the increasing political involvement in sport, the global media-sport complex, the migration of athletes, and the global business of sport.
KINE-4760-1 Principles of Coaching MW 11:30 – 12:50 pm	A critical study of various issues that confront the modern-day coach. Areas of study involve effective coaching techniques; person attributes; motivation and discipline approaches; dealing with problem athletes; and coach-player communication. Stress will be placed upon developing a sound beginning philosophy of coaching, along with looking at the coach as a professional person.

For additional information, contact the Faculty of Human Kinetics at 519-253-3000 x2432.

The application deadline is Friday, May 24, 2019 at 4:00 pm

If you are interested in applying for any of the above positions, please submit a CV and provide a cover letter to Dr. Michael Khan, Dean, Faculty of Human Kinetics, University of Windsor, at sheilad@uwindsor.ca.

Special Qualifications: Applicants will be assessed based on their teaching competence (demonstrated and potential) and academic credentials. A minimum of a Master's degree in an area relevant to the course(s) applied for is normally required. Relevant professional experience/expertise will also be considered, and is mandatory for all practice, theory and analysis courses.

The appointment to this position is subject to final budgetary approval.
